

Dear Voter:

I am pleased to provide you with information about our Snowbird Program which helps voters who temporarily vacation or visit outside their precinct each year and prefer to vote by mail. Completing this enrollment card will automatically cause you to receive an application for ballot prior to the elections you designate. This is not a request to vote by mail in one election only. **Enrollment in this program remains in effect until you provide notification to cancel or your voter registration becomes inactive.**

To enroll, you must be a registered voter in Lake County, Illinois and complete the form on the reverse side. Select all or each specific primary and general election in which you wish to vote and provide your temporary address. Return the signed form to the Lake County Clerk's office address listed in the upper left corner. As required by state law, you will receive a separate application for ballot prior to each election selected. **Once we receive your completed and signed application, a ballot can be mailed to the address provided.** During the time period for voting by mail, you can visit LakeVoterPower.info to confirm our receipt of your voted ballot. If you have any questions, please e-mail us at VotingByMail@lakecountyil.gov or contact the Elections Department at 847.377.2406.

Very truly yours,

Robin M. O'Connor
