

Dear Student:

I am pleased to provide you with information about our Temporarily Absent Student Program which helps students temporarily living outside their precinct while attending school. You must be a registered voter in Lake County, Illinois to participate. Completing this enrollment card will automatically cause you to receive an application for ballot prior to each election. **Enrollment in this program is effective for a two-year period. Each summer, a letter will be sent to your home asking you to verify your current school address.**

To enroll, please complete the form below including your school address and return the signed form to the Lake County Clerk's office address listed in the upper left corner. As required by state law, you will receive a separate application for ballot at your school address prior to each election. **Once our office receives your completed and signed application, a ballot will be mailed to you.** During the time period for voting by mail, you can visit LakeVoterPower.info to confirm our receipt of your voted ballot. If you have any questions, please e-mail us at VotingByMail@lakecountyil.gov or contact the Elections Department at 847.377.2406.

Very truly yours,

Robin M. O'Connor
